EDUCATION

Bachelor of Pharmacy: Pharmaceutical Sciences
GITAM University, INDIA

7.29/10
2016-2020

Thesis/Courses

- *Pharmacognostic, phytochemical and microbiological evaluation of castor oil*
- *Pharmacognosy*
- *Pharmaceutics*
- *Pharmacology*
- *Medicinal chemistry*
- *Pharmaceutical Analysis*
- *Novel Drug delivery System*

WORK EXPERIENCE

Intern at Clinisol Research Pvt Ltd

01/2020 to Current

Summer Project

Indian National Centre for Ocean Information Services (INCOIS)
04/2019-05/2019
Hyderabad, India
Tasks

- Marine phytoplankton pigment analysis using High Performance Liquid Chromatography"
- Handling of spectrophotometer

PUBLICATIONS

- Dr. Vishnu Nayak Badavath, Dr. Akhil Kumar, Dr. Pralok Kumar Samanta, **Anik Kumar Das**, Siddhartha Maji, Dr. Galia Blum, Dr. Anjali Jha, "Determination of Potential Inhibitors based on Isatin derivatives against SARS-Cov-2 Main protease (Mpro): A Molecular Docking, Molecular Dynamics and Structure-Activity Relationship Studies" **Journal of Biomolecular Structure & Dynamics**, (IF=3.2)(Scopus Indexed)
- Dr. Sumanta Mondal, Reddipalli Pushpalatha, Prasenjit Mondal, Ashes Sinha Mahapatra, Dipankar Shit, **Anik Kumar Das** and Sabyasachi Biswal (2020) "A Stability Indicating Validated Method for the Determination of Lercanidipine Using Reverse Phase High Performance Liquid Chromatography", **Int. J. Pharm. Investigation**, 2020;10(2):196-200 (IF=0.61)(Scopus Indexed)
- Dr. Rabinarayan Parhi, **Anik Kumar Das**, Dr. Suvendu Sahoo, "Applications of polysaccharides in topical and transdermal drug delivery: A recent update of literature"(Under review)

SKILL HIGHLIGHTS

- **Handling of HPLC**
- **Handling Of UV Spectrophotometer**
- Project management
- Strong decision maker
- Complex problem solver
- Creative design
- Innovative
- Service-focused
- Professional E-sports Player
- Good time management skills.
- Team worker.
- Passion for learning new and things.
- **Proficient IN Windows, MS Word, GraphPad Prism, R Software**

LANGUAGES

English– C2
Hindi – C1
Bengali – C2
Telugu – B2
IELTS – 6.5

INTEREST

Nanomedicine

Pharmacology

**Microneedle mediate drug
delivery systems**

Pharmaceutics

Nano-Oncology

Industrial Pharmacy

**Design of Novel methods for
Diagnosis and Treatment of
SARS-CoV2**

CERTIFICATIONS

- Drug Discovery
Issued by University of California San Diego
- Drug Development
Issued by University of California San Diego
- Cell Signalling
Issued by Odiosgohub
- Pharmacovigilance
Issued by Clinosol Research Pvt Ltd.
- CDM
Issued by Clinosol Research Pvt Ltd.
- Clinical Trials
Issued by Clinosol Research Pvt Ltd.

CONFERENCES

- Presented a paper on **Hypoglycaemic Activity of *Aegialitis rotundifolia* Roxb.** at IPC 2019.
- International Conference on AP BIO.

VOLUNTEER EXPERIENCE

Plan two yearly out reach events to highlight community members' creativity in spoken word, poetry, music and art and active member of NSS and also runs an NGO .

IN-CAMPUS INVOLVEMENT

- NSS member of college
- Has been a member of Internshala Student Partner (ISP) 10
- Implement collective ideas to sponsor campus and community events which promote educational and social change.
- Led groups of 9 junior high students in discussion on success skills, business ethics, and personal finances
- Co-designed a 17minute audio visual presentation accurately and creatively describing project for use in regional and national competition

REFERENCES

Assignments Completed During my Training

1. Developed an Dummy protocol
2. Developed dummy ICF based on protocol
3. Developed CRF based on protocol

Technical Skills

1. Well versed with GCP and its principles
2. Investigator responsibilities
3. Sponsor responsibilities
4. IRB/IEC responsibilities
5. Protocol, ICF, CRF
6. Essential documents
7. Responsibilities of CRA and CRC and EC
8. Good Knowledge on Clinical trials Archival process
9. Good knowledge on Clinical trials
10. Knowledge on CRF designing
11. Knowledge on Edit check specification
12. Knowledge on UAT
13. Knowledge on discrepancy management
14. Knowledge on Clinical Coding
15. Knowledge on Locking of studies
16. Well versed with Pharmacovigilance
17. Knowledge on Triage and Duplicate case
18. Case processing
19. Knowledge on Causality assessment
20. Knowledge on Expedited reporting
21. Knowledge on aggregate reporting
22. Knowledge on ICH e2a to e2f
23. Knowledge on CIOMS guidelines
24. Data base knowledge: Argus 7.0 & Oracle Inform 6.0

1. Mujeebuddin: Founder and CEO for Clinisol

2. Dr. Sumanta Mondal

3. Dr. Anik Sen
