Notes

Any grade of failure shown on your results is an indication of the overall standard achieved. The mark ranges below are given to assist those candidates who have failed the examination to assess the degree of improvement required.

FA	95-99% of the pass mark
FB	80-94% of the pass mark
FC	60-79% of the pass mark
FD	Less than 60% of the pass mark

An FD grade (or repeated FC or equivalent from the previous examination system), after proper and full preparation, suggests that the candidate should consider their plans carefully and seek advice where appropriate. It might be helpful to talk to an actuarial colleague, or to approach the Registrar at Napier House, who would be happy to assist.
