

To Whom It May Concern

It is my pleasure to recommend Manoj SP to your prestigious college/university. I have known him for the past 4 years and was delighted to serve both as his adviser and teacher at MS Ramaiah University of Applied Sciences, Bangalore. During that time, I watched him grow into an outstanding individual who excels in both his academic and personal pursuits.

As Dr. Suresh R, Professor, I witnessed his extraordinary dedication and creativity first hand. His 4th year project on 'Design and development of suspension mechanism for rough terrain surface' was particularly impressive, where his creativity can be realized.

Manoj SP's academic accomplishments are rivaled only by his personal strengths. His honesty and competence are good and he is well-loved by his peers, as well as all those who have the pleasure of teaching him. Whenever a difficult situation arises, he is always ready to tackle and conquer it head on and will blend into the new environment.

I sincerely believe Manoj SP will bring unique optimism, passion and tireless creativity to your university as a whole. Thus, he has highest endorsement for admission into his desired course at your university. I am confident he will make an excellent addition to your university's community. If you have any questions about this recommendation please do not hesitate to contact me for I will gladly try to help.
