LETTER OF RECOMMENDATION

It gives immense pleasure to recommend **Mavani Dharmeshkumar Shambhubhai**, who is seeking the admission at your esteemed Institution/ University.

As enrolled with the college since three years, I had taught him Mercantile Law subject. During the course of time he was found as intelligent and hard working student. He is helpful and co-operative and gets along with his peers. He has an eagerness to advance, can think independently and can organize his work well within his scope.

He has good leadership qualities and a willingness to take the initiative. Assignments and seminars taken by him were perfectly completed well before deadlines. As one of most active member of student community, his high degree of proficiency in undertaking responsibility and surety in practical thinking as well as ultimate goal of getting good result is worth mentioning. He has an unquestionable attitude and motivation for the studies and the ability to express ideas clearly.

I strongly recommend him for a graduate studies and appropriate financial support. I am convinced that he will put his best efforts, if given the opportunity to enroll at your University/ Institution.

I wish him BEST LUCK for the future.

Thanking you.
