TO WHOMSOEVER IT MAY CONCERN

I am writing to recommend Ms. Geetika Kapoor, the student of B. Sc. (HHA) batch 2016-19 at the Institute of Hotel Management, Pusa, New Delhi for your reputed scholarship.

I have known Geetika for the 3 years as she was a student in my Front Office Management classes at IHM Pusa. I recognize her as one of the most meritorious students at the institute and because of which she was one of the members of the Student Mentor Group. She showcased exceptional leadership skills while she carried out this role and demonstrated her helpful nature. She has always proved to be a hardworking and visionary student who has always had a keen interest in managing tasks.

I have always been impressed by presentation skills which were a part of the various situational analysis projects that are part of the subject within her bachelor's curriculum. I recognize her as a good communicator who has always demonstrated an exceptional understanding of instructions and she carries out the same in her original ways. She has also shown interest in acquiring new skills which are clear by her varied internships.

I was able to closely mentor her during her final year which made me assess her on a direct basis. She will surely be an asset to any institute she aims to continue her future studies in. With an upstanding academic record, I can provide my assurance that she will benefit the institution in the best possible manner.

Considering her personality, I believe she is the best-suited candidate for Global MBA. I am certain that her caliber will shine through the entire program not only benefitting her but the program as well. Based on our experience together, I can positively recommend Geetika Kapoor for Postgraduate studies through your esteemed scholarship.

Please feel free to contact me further for any more information that you may require.

Sincerely,

Dr. R.K. Gupta
