Incredible India

TO WHOMSOEVER IT MAY CONCERN,

I am writing to recommend my student GEETIKA KAPOOR, BATCH 2016-19 for your reputed scholarship.

I have known Geetika for the past three years as she was a student in my Research classes at IHM Pusa. Throughout her entire Research project, I had the opportunity to mentor her and assess her capabilities. I have recognized her as a hardworking, attentive, dedicated, creative, and meticulous student. She has been a critical analyzer and has always shown a tremendous amount of energy and enthusiasm in her studies. She is a very bright and qualified individual, and a pleasure to work with.

She has graduated as among the Top 10 Rankers of the college which clearly defines her dedication towards her studies. She was also a part of the Mentor Group of IHM Pusa, during her final year which is a sect of most meritorious students who guide the newly admitted batch of the course. She has also always shown similar leadership skills be it in the classroom or elsewhere. She is a true example of creativity in solidarity as whatever project she takes on she makes sure to deal with it differently while ultimately fulfilling the actual objective of the project. She has also made sure to be part of all the Korean Cultural Center, India run competitions, and contests that happened as a collaborative effort with our institute.

Her research subject, 'Study on Social Food Movements' especially impressed me as she was able to produce worthy inferences and contribute to the topic with her findings. She has always shown a keen interest in cultural diversification within the countries and considering she has chosen Global MBA as her future endeavor, I am sure that she will be an asset to any Institute she aims to be a part of.

As a person, she is extremely courteous, well-bred, ethical, and civic-minded. Her personality has set good examples to other students and I feel very fortunate to have had her time with us. I'm certain that her positive attitude and vast knowledge of diverse topics will contribute significantly to the program. Based on our experience together, I can confidently recommend Geetika for Postgraduate studies through your esteemed scholarship.

Please feel free to contact me further for any more information that you may require.
