

LETTER OF RECOMMENDATION

Mr Nabanil Das bearing registration Number 20140312 completed Bachelor of Technology in Mechanical Engineering in 2018. I have known Mr. Nabanil since 2014 when he was admitted to this department as a student of Bachelor of Technology in Mechanical Engineering. From the beginning, I found him a student with discipline, hardworking and intelligence.

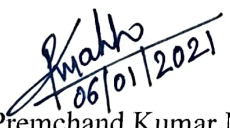

I taught him Applied Thermodynamics in successive semesters, and his interests towards these subjects were remarkable. He had been always devoted to detailed matter of these subjects. I was the project Supervisor for his Major Project titled "Smart Garbage collector and monitoring system". I am confident that with his attitude, mindset, academic performance, and his keen interest in higher studies combined with pleasing personality and good Interpersonal Skills would enable him to complete his higher studies in time. His success, achievement, knowledge, and skill will be of great value in future.

I strongly recommend Mr. Nabanil for post graduate studies at your esteemed institution. I am sure that given field of course and opportunity, he will prove the worthy of his candidate and would be pride to your esteemed institution.

I wish him all the success in his future endeavors.

If you would like to discuss this further, please feel free to contact me.
