

Letter of Recommendation

To Whom it may Concern

This is to certify that Miss Poulomi Guha, 2nd year undergraduate student of Data Science from Techno India University, is a diligent, curious and honest student under my tutelage from August '18 till present day. She is a hardworking, sincere and logical student. I wish her all the success in her endeavour to secure Master's Program from a reputed University.

Sincerely,

Peea P Bal

Associate Professor

Techno India University
