LETTER OF RECOMMENDATION

I am writing this letter of recommendation in favour of MD. NOUMAN MOLLA. He has been a student of Department of Computer Engineering. He has completed his B. Tech

in the stream of Computer Engineering during 2016 to 2020 under Registration No. 1614110146 in Bharati Vidyapeeth (Deemed to be University) college of Engineering Pune (India).

I have taught him Big data analytics & Architecture as a part of his curriculum. He is totally focused on his studies and very cooperatives towards his classmates. He used to participate in most of the technical seminars. He is well organized throughout his curriculum. His obedience and participation in extracurricular activities is well appreciated. Considering his capabilities I strongly recommend him for higher studies in your reputed university. He is quite efficient in expressing his thoughts in both written and verbal communications through English.

I wish him every success in life.

Sincerely,

Dr. S. B. Vanjale
