

Letter of Recommendation

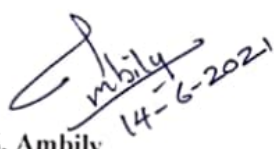

I am very pleased to recommend **Ms. Devika. A** as a prospective student for the master's programme in your University. Ms. Devika. A joined in our campus in the 2018 June. So I got an opportunity to observe her closely as her instructor for the course since 2018 to 2021.

Ms. Devika. A is highly ambitious and career oriented candidate. She works hard to achieve her goal and always committed to her work. She is a very interactive student in the class and also possesses coordination skill.

So I strongly recommend her as a candidate to your esteemed University. She has the perseverance to complete the program successfully. I take this opportunity to wish all the very best for her future endeavors.
