### Letter of Recommendation

I am writing this in favor of Mr. Kuldeep Lamba S/o Ranjeet Singh Lamba. He has been student of bachelor of technology course in mechanical engineering during session August 2006 to April 2010, under university roll No. 06ERCME020 and enrollment No. 06E1RCMEMXXP020 at 'Regional college for education research & technology' affiliated to 'Rajasthan technical university'.

I found him serious towards the education. He was soft-spoken, hard-working and multi-talented student. He comes among the exemplary students in the college. He was too flexible and helpful with his classmates.

Considering his skills and capabilities, I strongly recommend his admission for higher studies.
