LETTER OF RECOMMENDATION

I am pleased to recommend Mr. Pankaj Reddy who is applying for the Master's program in Civil Engineering in your university. I have known Pankaj for four years during his Civil Engineering graduation. I taught him the subjects of 'Structural Analysis'.

Through my interaction with Pankaj I found that he has an excellent grasping power and logical bent of mind. He is a hardworking and sincere student and his academic performance duly reflects this. I would rank him one among the toppers I have come across in my teaching profession.

I sincerely believe that he deserves admission to your program to enable him to pursue higher studies. In view of his consistently good track record, his zeal for learning and commitment to his goal, I strongly recommend Pankaj for admission as well as financial aid.

I wish him the best for the future.
