LETTER OF RECOMMENDATION

Respected Admissions Committee

I had the pleasure of teaching **Ahmed Sarim** English in class 11th and 12th at Father Agnel School, Noida. From the first day of the class Ahmed has been extremely passionate about literature and has had a passion for reading, writing and creative expressions. He responds to every question in a very thoughtful way and takes active part in classroom discussions.

Ahmed respects his teachers and always supports his peers. He has a caring nature and his personality allows him to work well with others in a team setting.

Ahmed is a commerce student and his passion for the subject makes him an ideal for your rigorous Economics program. He understands very well how things work.

His cheerful nature and openness to feedback means he's always learning and growing as a learner. Ahmed is a student with confidence, strong values and respects for others.

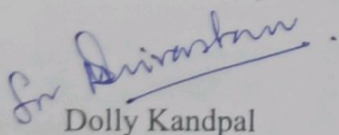

Ahmed was a member of the External affairs ministry in the year 2019 and it is hard to overstate the meaningful contributions that he has made to our school. He has also actively participated in the International Fest.

His writing is well organised with well connected points that logically follow one another with an overview at the beginning and a conclusion at the end. Ahmed has made profound contributions both in and out of the classroom.

He is also an enthusiastic badminton player. He has the combination of a positive attitude and a belief that he can always improve which is very essential to the learning process.

Ahmed's endless curiosity, combined with his willingness to take risks, leads me to believe that there will be no limit to his growth and achievements in college and beyond. I highly recommend Ahmed for admission to your college. Please feel free to contact me with any further questions at Kandpal.dolly@gmail.com

Yours sincerely
