LETTER OF RECOMMENDATION

It's a pleasure to recommend Ahmed Sarim who I have known for the last two years. I have taught his class Economics in Class XI and XII.

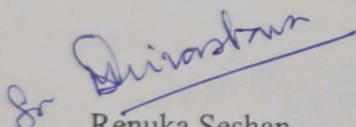

A calm and composed boy has surprised me often with his sharp intellect and ability to learn fast.

I have had the pleasure of teaching him Economics for two years at school. His analytical thinking and clarity of thought has always been impressive. His presentations in the subject in classroom revealed his in-depth study and analysis of the happenings around the globe and also exhibited his extensive research & intellectual skills.

Ahmed Sarim is quite friendly and soft spoken and is comfortable working in a group for any class activity. An avid sports enthusiast as well, he has played badminton at district level for his club.

As a teacher it is incredibly fulfilling to witness a student make this kind of academic and personal progress. I am confident that he will continue to demonstrate the same diligence that he showed in school.

Thanking You,

Renuka Seshan,
