Letter of Recommendation

It is a pleasure to write a letter of recommendation for MR, Sandeep Girish Keshwala who was a student of Commerce Department of our institute, Shree Kalidas Haridas Madhvani Arts & Commerce College Porbandar from 2004 to 2007. MR. Sandeep is a well-mannered, dedicated and hardworking student who has interest in many different fields. I have interacted with her during our teaching — learning experience and have found him to be a competent and clever student. He has zest to imbibe and learn new aspects of the subject and to master practical skills during her academic career.

Apart from academics, Mr. Sandeep was interested in group activities related to co-curricular and extracurricular events. He was comfortable doing team work as well as could do his work individually with equal ease.

I am happy to recommend MR. Sandeep Girish Keshwala for admission to any higher studies institution where I am sure he will show his best and will come out with flying colours. I wish very bright academic career as well as a successful life ahead.
