LETTER OF RECOMENDATION

I am gratified to recommend Mr. Mohammed Sirajuddin for a admission into Master'scourse in your esteemed University I have handled the course of Mathematics -Physics- Computer Science (B.Sc. Course)for him my association with him as given me an example scope to assay his capabilities very closely, both academically and personally.

A student with excellent ability for logical and intuitive thinking, he has proved himself to be a talented and brilliant student. A part from being technically sound, Mr.Mohammed Sirajuddin has shown a penchant for grasping and visualizing practical difficulties and this makes him a potential research student.

He has been at the forefront in organizing departmental activities. He is efficient at organizing various activities and exhibited good leadership qualities.

Mr.Mohammed Sirajuddin is quite ambitious and career driven. He is very interactive in the class and endorses discussion with cogency and natural ease. He was disciplined during the lab work and I was with his capability to grasp and perceive new concepts. I strongly recommended his candidature for your Master's course.

Best Regards,

Department of Computer Science
