To whom it may concern

It brings me great pleasure to recommend Mr. Dhruv Katoch for further studies. I am delighted to write this letter of recommendation for him for the MBA program at the institution of his choice. As a mentor working at HILTI India Pvt. Ltd., I have known him since October 2010 and found him to be an inspired and diligent professional. His performance has been appreciated on plentiful occasions, indicative of flexibility.

Furthermore, I have carefully observed his rapport with our company and appreciate his calm approach under challenging situations. I have similarly observed him to be determined, and drive to achieve perfection. He will be a source of constant encouragement for seniors and junior students alike. I believe that his hunger will lead him to climb up ladders of success.

I was happy to see his aspirations for higher education and have faith in him that he will make the most out of the program and would be a valuable fit at your institution. I strongly recommend him for his education at your esteemed institution. Please feel free to reach out of any enquiries.

Sincerely,

Rohit Mankotia
