LETTER OF RECOMMENDATION

I am extremely delighted to introduce one of our outstanding student **Mr. Shaik Abdur Razzaq** (Reg No:16F61A0502), whom I know as an illustrious student at Siddharth Institute of Engineering and Technology, **Puttur**. During his Under-graduation period, I was his professor for the subject Computer Organization. I would rank him among the top 10% of the students that I have taught during the past 10 years of my teaching career.

I am profoundly impressed by his keen interest and desire to go deep into intricate concepts. His exceptional propensity, innovative mindset and determination together with his penchant for risk-taking make him ideal for research-oriented endeavors. His excellent grasping power and systematic approach to solving complex problems are evident from his performance in the classroom activities.

His behavior has always been exemplary and commendable. Due to his pleasant personality, he has made his presence felt among his peers. He is quite diligent and possesses good time management skills. Moreover, he has shown the zeal for various extracurricular activities. His Prudence in precarious situations, farsightedness in planning and emotional maturity were evident when he took part in various college events, seminars, and workshops.

Throughout the semester, I could appraise his abilities through assignments, case studies, and written tests. I can confidently state that he possesses scholastic abilities and good presentation skills. His willingness to venture into new endeavors, persistence and clarity of thinking definitely made him outstanding.

I strongly recommend **Mr. Shaik Abdur Razzaq** for the graduate studies with full financial assistance.
