To whomsoever it may concern

I, the undersigned **Dr. Rakshita Puranik**, being a faculty member of Indore Institute of Management and Research, Indore has taught **Ms. Pranjali Dixit**, the course of **Master in Business Administrator (MBA)**, Under Post Graduation. I found her to be very hard working and blessed with a propensity for continuous improvement. She attended the class regularly and always used to keep on doing innovative study in her subject event beyond the scope of her syllabus.

Her imagination and direction of thinking is good. She is polite in her manner and has good ability to work in teams, this was evident from her integration with fellow students at our college.

I am confident that **Ms. Pranjali Dixit** will adapt well to the demands of the MS programme and would be an asset to any institution and course, she wishes to pursue.

I wish her success in her future endeavor.
