TO WHOM IT MAY CONCERN

I, **Dr. Simranjeet Kaur Sandhar**, writing this letter of recommendation for **Miss. Pranjali Dixit**, MBA – 2020 student of Indore Institute of Management and Research. I lend my support to her for attending your university for the Master's program.

I highly recommend that she is capable of pursuing this course as she has the zeal to do her best for her performance. She is sincere and has polite behavior with staff and fellow students. I also believe that she is having the quality to become a leader and can lead a good example for everyone.

I am glad that she is now broadening her horizons. An academic degree from an International university will certainly provide her with a global edge in her career ahead. I recommend her for the Masters's program and I am sure she will prove the desire and need results.

My best wishes are always with her.

Dr. Simranjeet Kaur Sandhar
Dean (Academic), IIMR
