

PERSONAL STATEMENT

MY MOTIVATIONAL WITH THIS PROGRAM :

- I want to do this program because I want to change my career path. My goal in life is to be useful to others, for me that is the ultimate success. I study to become useful, to develop skills that others need. Learning business management and administration will make me useful to many. Managing and administration are meta-skills, and people will always need them. Learning them gives me options. Options are opportunities, and I am an absolute opportunist. The best plan for me is the one that lets me change my plans. I consider an International MBA to be the best move I can do for my career, and I am extremely motivated to pursue one.

IRELAND is the number one option for my Master's Degree. What I value highest is the location, as I have wanted to go live in IRELAND for years. Living in IRELAND for year would be a dream come true. I am impressed by the school's international rankings and the praise of the former students. It ensures me that the school will propel my career in the right direction. The curriculum is exactly what I am looking for, as it will give me many different career options. The focus on entrepreneurship interests me, as I am a creative person who constantly tries to think outside of the box.
