

Respected Sir/Madam,

04/02/2023

This is **Hamayoun Qazizada**, President at **HQTC** and I am extremely glad to recommend **Ismail Qazizada** to your university. Ismail has worked as **Vice President** for 1 year for the firm. I am associated with him from the very moment he joined the firm as an intern. I have been a mentor to him and he has worked under my supervision.

He is a very hard-working individual who is eager to learn new things and apply it practically. Our team was very impressed with his idea of using seminars and events as part of our talent acquisition to reduce costs. Not only did he propose the idea, but also planned and implemented it effectively.

His patience is worth praise when he works as a part of a team ensuring that he fulfils all his responsibilities. As a mentor to him in his earliest days in the firm, I am proud to say that he had successfully understood his job role and worked diligently.

I am happy he wants to pursue an MCS to learn new things and put them into use. I am confident that he is a suitable candidate for the program and the university as he will learn a lot from the program. Feel free to contact me for any queries.

Thank you.
