Letter of Recommendation

I am very pleased to write this letter of recommendation for Mr.Naveen Chandel. He had completed his graduation in Arts in this college hence I consider his aptitude and caliber. I feel it makes him an ideal student for higher education.

He is a very good student with extraordinary grasping ability which helps him understand even the intricate details very easily. This attitude will help him to go a long way. His strong points also include good communication skills. His competence and efficiency is proved by his academic activities.

Thus I recommend him for in your University.
