LETTER OF RECOMMENDATION

It is with great pleasure that I introduce Thanki Mital Girishbhai for her higher educational qualification. I have been acquainted with her for past two years (during 2012 to 2014) as a student of Master of Business Administration in our institute.

Thanki Mital Girishbhai has been dedicated and industrious student. Academically, She possesses sound fundamentals of management related subjects. Her ability to grasp the rudiments of the subjects has impressed me the most. She is a student with self-reliance and good level of self-confidence.

She has strong skills compiled by sound logical thinking & has good command over oral and written English. She is a person of high integrity, strength and emotional maturity & has good leadership qualities.

I therefore, enthusiastically endorse her candidature for the admission in your university or institute.

I wish her good luck for her future endeavors.
