Mr. A. Jessy Babu has distinguished himself as one of the best students in the class. He was active and diligent class participant and brings together an Engineer's analyst approach, a keen grasp of basic facts coupled with programming knowledge, which he applies efficiently to problem solving. He has always exhibited fecundity of mind. He is ardent learner and likes to go beyond the theoretical purview, to practical applications of his perseverance enabled him to achieve his goals in laboratory sessions and industrial visits.

He has involved himself in numerous organizations both in the campus and outside. As a believer in social justice he has actively engaged in community activities. He has shown tremendous energy and boundless enthusiasm to participate, plan and organize various intra and inter-collegiate events. He takes up the responsibility of leading a team very well and completes work well within the stipulated time.
