REFERENCE LETTER

TO WHOMSOEVER IT MAY CONCERN

I take great pleasure in recording my impression about Bezelel B Varghese In my capacity as the Headmistress of M. T.Seminary Higher Secondary School ,Kottayam. I have found him to be very sincere student endowed with intellectual and excellent behaviour.

During my association with him as a Headmistress ,He impressed me with his creative abilities and proactive ,focused nature .He has an innate ability to grasp and master basic concepts of any subject pretty fast .His dedication to the job at hand deserve a special mention .He has a limpid expression of ideas in English through oral and written means and speaks convincingly well.

I deem his strong inclination to pursue higher studies in your University appropriate for his bright future.His affable personality ,excellent communication skills and strong will to succeed, Iam sure he would prove to be an asset to your institution.
