LETTER OF RECOMMENDATION

Riddima Sarah has been a student of Aragami Convent School. I have had the pleasure of knowing her for the past four years in my capacity as a Science teacher at Aragami Convent School. I have been consistently impressed by her intellectual curiosity, academic performance, and commitment to personal growth during this time.

Academically, She is a highly motivated and engaged student who consistently ranked among the top students in her class and demonstrated a deep understanding of complex concepts. She also has been a highly collaborative student, readily assisting her peers and fostering a positive and supportive learning environment.

Beyond academics, she has been a well-rounded individual with diverse interests and talents. She is a passionate advocate for art and dance and has actively participated in them. This dedication reflects her creative skills and commitment to positively impacting her community by expressing herself through art. One of Riddima's most notable qualities is her unwavering perseverance. She is not easily discouraged by challenges, approaches all obstacles positively, and is determined to succeed. This resilience was particularly evident when she took the opportunity to anchor for the interschool program and succeeded in overcoming her stage fear through persistence and determination. Her ability to overcome adversity is a testament to her strong character and unwavering spirit.

I am confident that Riddima will excel in your undergraduate program. Her intellectual prowess, strong work ethic, and genuine passion for learning will allow her to make significant contributions to your academic community. Undoubtedly, she will utilise her education to impact the world positively.
