LETTER OF RECOMMENDATION

TO THE ADMISSIONS COMMITTEE,

It is with great pleasure, I am writing this recommendation letter in favour of Anusmita Chatterjee who recently applied to your esteemed university at master's level. As a professor in the geography department, I had the immense pleasure of mentoring Anusmita during her academic course. Anusmita has always been highly curious and interactive in class and would frequently approach her professors to ask question about curriculam concepts.

Anusmita has shown a remarkable commitment to advancing her knowledge on GIS & GNSS by completing an additional course on Geospatial Mapping conducted by the department. During the course she mastered essential tools such as ArcGIS & QGIS enhancing her technical skills.

I have seen her perform well in academics. After knowing her for the past three years, I can confidently say that she had always tried her best to cope up with the studies as well as with extracurricular activities. She had also participated on annual programmes, workshops & inter-college competitions. Also she likes to learn different languages as she had also been a part of Spanish Language programme conducted by the college.

In addition to her academic achievements Anusmita has shown a strong commitment to environmental & social works which has been evident in her volunteer work and leadership in NSS (NATIONAL SERVICE SCHEME). She had done some notable works such as "CLEAN GANGES ABHIJAN", Awareness programme for WATERBORNE DISEASES, Tree Plantation programme etc.

In summary, I strongly recommend Anusmita Chatterjee for the Masters Programme at your esteemed university. I am confident that she will contribute meaningfully to your academic community and excel in your program. Please feel free to contact me if you require any further information.

Sincerely,
