LETTER OF RECOMMENDATION

It is with utmost delight I write to your esteemed institution to recommend Ms. Salvita Lopes for higher studies. I have known her well during the tenure of 2021 to 2024, as she has been pursuing a Bachelor's degree in Business Administration at PeopleTree Education Society. Ms. Salvita Lopes has always been a good performer. I am the Head of the Department of the branch Salvita Lopes is studying in, hence I can testify for her abilities, strengths and weaknesses.

She has been a consistent performer in my subject, and currently has a CGPA of 6.63. Salvita Lopes is very good at the concepts and knows how to apply those in various practical scenarios. Her approach to mastering a concept is strengthening her basics, which makes her stand out from a considerable pool of students.

She is well-liked by the professors and the students alike and has always had great spirit. Aside from her substantial participation in co-curricular activities and good academics, Salvita has managed to complete one internship.

Her medium of education in under-graduation was English, and I can certify her English language and communication capabilities, without any doubt. With all these achievements, I strongly recommend her to the program of her choice to any leading university. Given her abilities and her personality, I am sure Salvita Lopes will be a significant asset to your institution.

I wish her success in all her future endeavors.
