My name is Sebret Tellis, and I am currently in the 12th grade, studying commerce and mathematics. I achieved 84% in my 10th-grade board exams and 83% in my 11th-grade finals, where I secured the 3rd rank in my class. With a strong interest in finance, I plan to pursue a bachelor's degree in this field, focusing on current financial affairs, business psychology, and investment strategies, and I am excited to leverage my knowledge and skills to make a meaningful impact in my future finance career.
