

Cover Letter for D.Phil./PhD.

For me achieving better & greater is the destination while going on is the goal. My aim is to endeavour perennial for improvement & development by dint of wits & wisdom. My life goal is to make better version of myself every-time in everything I do. I hope I will get best platforms & opportunities to produce new lenses & sights, innovative ideas & practices, thoughts & actions for the growth & progress which will be much effective to the holistic service in nations & mother Earth.

With regard to educational accomplishment, I have completed HSC (Sci.) D.Ed., BA, MA Political Science, Master of Science in Geography; Master of Development Studies from TISS Mumbai & Master of Philosophy in Planning & Development from IIT Bombay. I also have professional skills like 'CTET', UGC: NET-JRF, Microsoft Office, MSCIT, and basics in SPSS, STATA; GIS & R software etc.

I have learned and experienced various problems of backwardness & development in multiple perspectives. I studied and experienced about Vidarbha region as well as Maharashtra state as a whole in India specifically, also Indian state in multidisciplinary nature. Alongside I worked in some organizations across India and have first-hand experience of the agricultural, education, corporate, administration sector including others. I have presented various topics in academic as well as in public ranging from village to international level through micro to macro perspective from action research in early 20's to jump for IIT Bombay M.Phil. thesis. After which I also have published 3 research papers on multi-disciplinary subject and authored a book in multidisciplinary development topic.

I wish to multiply my wisdom for inclusive and holistic development of region, state, nation & globe to make them prosperous one. Aiming for wisdom, growth & development where I can utilize expertise to the optimum possible with readiness to explore in challenging areas & situations to achieve extra-ordinary goals in minimal time. In this regard I would love to join this course & university where I can contribute greatly also because I have good network, contacts & connections including my multi-dimensional background & wisdom which will be helpful for better & greater outcome and exceptional results in this endeavours to make better globe.

Thanks & Regards

Vinay
