WORK EXPERIENCE

Project Engineer

Wipro Technologies (Project -CPG-MCC-PJ-CAS TPM)

07/2020 - Present

Achievements/Tasks

- Giving my best to provide quality deliverable within the time frame with zero defects and make sure its compliant with client process and meets client expectations. Timely updating the team for any customer request and providing necessary input on time. Working on resolving the critical issues on time and received positive feedback from users over meetings and emails. I'm also taking care of any urgent incident and resolved it over the stipulated time window. I've made sure to provide all relevant information is captured in task notes. Proactively participating in team meetings, discuss problems and get clarification to go ahead with the deliverable.

Project Engineer

Wipro Technologies (Project -HPA-CHE-PJ-PHARMA-DA-MS)

10/2019 - 07/2020

Achievements/Tasks

- I've judiciously involved myself in all kind of technical and functional problem solving along with engaging in frequent knowledge transfer sessions. I've resolved good number of tickets and have tested most of the development related works before releasing it to the production environment. Developed new areas of code after gathering the requirements from the client for a particular enhancement.
