- Secured 9/10 SGPA in my fifth semester of under-graduation
- Secured 74 % in Higher Secondary School Examination.
- Secured 81 % in Secondary School Examination

SKILLS

C
Python
java
Statistics
Time Series Analysis
Machine Learning
SQL
MS OFFICE
Algorithm
Probability
Matlab
Oracle

STRENGTHS

Numerical Skills
Analytical Skills
Decision Making
Leadership
Communication Skills
Multitasking
Self-Confidence

EDUCATION

B.Sc, Data Science

Techno India University, Salt Lake Campus

📅 2018– 2021

📍 Kolkata,India

SCHOOL

B D Memorial Institute

📅 2013-2015

📍 Kolkata,India

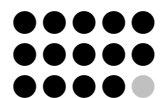

South Point High School
2000-2013 Kolkata,India

INTERESTS

- Interest in Machine Learning
- Artificial Intelligence
- Data Analysis
- Time Series Data Analysis
- Robotics
- Natural Language Processing
- Image Processing
- Computer Vision
- Data Mining
- Space Technologies
