PROFILE

I have completed my Bachelor of Vocational studies in Graphic designing and Multimedia from TATA Institute of Social Sciences in August 2022. After completion of my bachelors, I got job in SQFTLIFE PVT.LTD as a designation of an interior designer. After getting one year of experience, I made my own website and started servicing as in individual interior designer. There is a shortage of actual interior designers in my Country, who design a site without thinking much about their pocket earning. I want to setup my own Company who deals with great interior with pocket friendly budgets.
