LETTER OF RECOMMENDATION

Dr. A. Vijay Kumar

Professor & Vice Principal,
Dept. of Mechanical Engineering,
Raghu Engineering College,
Email: viceprincipal@raghuenggcollege.in,
Contact Number: +91- 9963261138

To whom it may concern:

I am pleased to write this letter of recommendation to **Miss.Rishitha Kuppa** as a prospective student for **Global MBA** at your prestigious University. I have known her for past two years and have taught her **Engineering Mechanics**. I evaluate her as an intelligent, dependable dedicated person, who along with her logical approach to grasp, is always ready and enthusiastic to achieve her goals. She proved herself to be an exemplary student of undergraduate studies in Mechanical Engineering at the institute.

Her performance in these courses has been superior, impressing me with her commitment to learn and think innovatively. Her lab-work is much disciplined, and I am impressed with her interactive approach and clear expression. Her prospects as a researcher are ably complimented with her experimental skills in the laboratory. She has never given an occasion to get reprimanded for activities and responsibilities which were undertaken by her.

Miss.Rishitha Kuppa has always been an ambitious student and keeping in view of her propensity towards higher studies and research work, I strongly recommend her for an admission into your esteemed University. I firmly believe she would become a successful candidate and would be glad to see her to achieve her goals.

I wish her all the success in her future!

(Dr. A. Vijay Kumar)

LETTER OF RECOMMENDATION

Dr. R. Vaikunta Rao

Professor,

Dept. of Mechanical Engineering,

Email: vrugada@gmail.com

Contact Number: +91- 9493434508

To whom it may concern:

I am pleased to recommend, **Miss.Rishitha Kuppa** for master's program at your university. My acquaintance with her fellow colleague for a period of last three years has allowed me to interact and assess her abilities. I have known her for the past two years and have taught her Fluid Mechanics And Hydraulic Machines. She also assisted me in several research project works, which include "Modernization and Removal of Obsolescence Scheme", which showcased his keen interest in research field.

Miss.Rishitha Kuppa is very attentive and floats inquisitive questions and sensitive to nuances in the class. Her ability to Visualize and Link the multi-disciplinary concepts makes her an ideal member for any team. She has manifested a keen interest in doing something new and contemporary and keep herself update with the proceedings in the class. She is one among the proactive person in the class. To pursue a mater's degree at a reputed university is one of her most cherished dreams and I hope that has the required knowledge and skill set to excel in her most cherished dreams and I hope that she has the required knowledge and skill set to excel in her endeavours. It is a prudent decision to enlist her as a student at your university. I strongly recommend her for the course and wish her All the Best.

(Dr. R.Vaikunta Rao)
