Work Experience

Preschool Teacher at Kids Camp from March-2020 to till date.

Science and math teacher upto class-4th to 7th in Sudiksha Tutorial from 2018 to till date.

- Created developmentally-appropriate, multi-sensory experiences for preschool students that enabled all children to be actively engaged in their own learning.
- Developed and implemented an experienced-based empathy curriculum that cultivated empathy and emotional literacy in students.
- Designed formative assessments used to plan for each child's developmental and instructional needs.
- Enhanced parent-teacher communication through the development of a classroom blog in order to foster a strong home-school, school-home connection.
- Actively participated in school committee work and promotion of the school, through my active roles serving on the school's English department committee and the Nursery Continuity committee.
- Working as science & math tutor from standard-1 to 8th at Sudiksha Tutorial.

Preschool Teacher at Hello kids Pre-school from June-2014 to February - 2020

- Planning activities based on a child's interest.
- Teaching children through structured play.
- Developing a child's curiosity and knowledge and abiding by all local regulations as well as safety protocols.
- Developing a well-managed, child oriented learning curriculum and tidying up the classroom at the end of a lesson.
- Motivating and stimulating children's learning abilities.
- Building relationships with parents.
- Cleaning toys and class equipment.
- Ensuring the health, safety and wellbeing of the children.
- Updating the classroom bulletin boards with children's artwork.
- Completing all required paperwork.

Primary Teacher at Maisanpur GOVT U.P School, Ganjam Odisha – April-2011 to may-2014

- Teaching science and Math up to 6th Std.
- Assigning the study work to the students and helping them to solve the problems regarding the work
- Providing a healthy atmosphere for better results in the teaching process
- Participating with students in a discussion so that they can state their problems as well as update their knowledge
- Advising the students regarding study related issues and thus making them proficient in the subject
- Motivating students, evaluating their performances, and providing them a concrete feedback
