Leadership and Activities

KALEIDOSCOPE CLUB

HEAD OF KCL CLUB

- Due to my passion in Photography and Film making I was a part of the Photography club of our school for several years, capturing all the events at school that took place and editing the school magazine for several years.
- In the final year of my high school, I became one of the heads of the Photography club known as the Kaleidoscope Club of La Martiniere.
- The position required me to guide the other students who were passionate about photography and film making. Providing them with knowledge and teaching them skills.

SCIENCE CLUB

- Led a team of Biology department students in designing and presenting science projects at various school exhibitions, encouraging creativity, teamwork, and scientific exploration.
- Coordinated logistics, managed deadlines, and ensured all projects adhered to school and competition standards while participating in the exhibition myself as well.

Community work

NGO Work

- Actively involved in several non-charitable organizations, contributing efforts towards supporting the elderly and individuals on the neurodivergent spectrum.
- NGO's worked for : C.A.R.E, Speaksmart, brainarc

Skills and Interests

ARTISTIC- Well experienced and well skilled in graphic designing. Commissioned a few of my designs and worked as a part-time graphic designer for several non-profit organisations. Started earning during my gap year through this interest of mine. I also work as a part time photographer and capture for aspiring models, product photoshoots and several other gigs.

EDUCATIONAL- I work as a part time tutor for the under privileged and I teach English, Biology and Chemistry.

BUSINESS – I am also working on my new clothing start up called Bugle Beads. With the help of my family, I have opened a shop and I am planning to open another branch very soon. I am passionate about Fashion and hence I made the decision of turning my passion into reality. I am also interested in the stock market.

CREATIVE ARTS- I have been a Kathak dancer ever since I was a kid. I have spent several years of my life performing this classical style. I also participated in several musicals and trained under Late Pandit Birju Maharaj Ji. I also take an interest in other forms of dance as well such as contemporary, hip hop and semi classical.
