We therefore strongly encourage you to make your financial deposit payment as quickly as possible, even if you have other conditions of entry outstanding. Specific admissions deadlines and other important dates can be found on our website: <https://www1.chester.ac.uk/international/how-apply/important-dates>

Should you require a Confirmation of Acceptance for Studies (CAS), this will be issued to you once the required deposit has been paid or you have demonstrated financial sponsorship for the required amount via an approved sponsorship organisation, as well as documents which prove that you have satisfied any academic and/or English language conditions relating to your offer, have been received. Before a CAS is issued you will need to submit a CAS request form along with all required supporting evidence. Further information on the documents required as part of the CAS process can be found on our website:

<https://www1.chester.ac.uk/international/how-apply/cas-process>

You will need to meet minimum financial requirements on or before your arrival at the University in order for you to enrol formally on your course. Failure to enrol formally, during the expected enrolment period, will result in the University withdrawing its sponsorship of you. Please review the Finance Information and Regulations document attached to your offer for your specific payment deadlines.

We look forward to meeting you at the University of Chester, and wish you every success in your studies here.
