

Niveditha Ramesh

Graduate of
Criminology & Crime
Science

PROFILE

A young multilingual and motivated graduate of Criminology and Crime Science with an additional background in Forensic Science, eagerly looking forward to opportunities in Corporate Security, including Predictive Risk analysis and mitigation, Internal and external Investigation, Auditing, Intelligence analysis, etc, where I can exhibit my skills as well as explore, learn, and grow in the field.

A quick learner with the ability to adapt to any work environment, willing to travel, (preferably Bangalore, Mumbai and Kolkata) in India and Abroad with a determination to contribute to the best of my abilities.

Keen Interest in the Korean Peninsula, understanding North and South Korean relations, South Korea's Entertainment Industry and it's relevant security aspects, etc. Looking forward to publishing relevant articles in the future.

CAREER OBJECTIVE

- Looking forward to learn, gain experience and provide my best contributions in the field of Corporate Security preferably in the following arenas:
- Assessing Physical Security
- Industrial Security
- Predictive Risk analysis and Mitigation
- Intelligence Analysis
- Internal and external Investigations
- Auditing
- Willingness to equip myself with knowledge on Cyber security and business of the company as well.
- Keen Interest in the Korean Peninsula, understanding North and South Korean relations. Looking forward to publishing relevant articles in the future
